

2013 ESC INTERNATIONAL

GLOUCESTER GUN CLUB – 15th June 2013

This year's ESC International with Ulster Skeet Club and the Welsh Skeet Club was held at Gloucester Gun Club on 15th June 2013.

Gloucester Gun Club pulled out all the stops with a FULL SHOOT of 70 Guns which ran like a Swiss watch with no hold ups whatsoever and finished ahead of time. A BIG Thank You goes to Paul & Andrew Tudge and Andrew Lea as well as all the staff at Gloucester Gun Club.

On Saturday it was a very windy and this played havoc with the birds but every one still got stuck in and had a very good day. The atmosphere was just great and electric all day.

The weather affected the scores but when the dust had settled 97 was the top score shot by A. Warren of England and A. Stewart of Ulster and C. Gardener of England. Flash clays were used for the shoot off which was very short and A. Warren came out the winner and A. Stewart was runner up.

The Team event turned out to be a good win for England with Ulster coming runners up.

The Evening Banquet Dinner was an even bigger success with good Hotel and good food followed by some good entertainment provided by The English Skeet Club of Mike. Lavelle with good sounds and humour and also provided the sound for our tribute act of Diamond Experience which once again went down very well. Everyone had a good shoot and a very good time.

ESC would like to say a very big thank you to Gloucester Gun Club the Ulster Skeet Club & The Welsh Skeet Club for helping to make this such a good event and everyone is looking forward to next year when it will be held in Ulster at The Route Gun Club. **BRING IT ON !**
